Semester Exchange Program

What is Semester Exchange Program?

Here's an incredible opportunity for students to study abroad for a semester that promises an **unmatched experience backed by 100% scholarship** and **international exposure** during their academic journey.

This is a golden opportunity to experience, learn, and **adjust to a foreign culture**, acquire valuable **cross-country communication skills**, and demonstrate their **ability to adapt to challenging environments**.

LPU's extensive network spans more than **124 Universities** across **41 countries** such as the USA, Canada, Australia, Lithuania, France, Spain, Brazil, and many more, providing an array of options for students.

Academic benefits

Academic Enrichment: Exposing students to new areas of study, diverse teaching methodologies and research opportunities

International Transcript & Internationalized CV: Students who study at a foreign university receive an official transcript from the host university that can be used as an advantage in the Curriculum Vitae (CV).

100% scholarship on tuition fee: Students will receive a 100% scholarship on the tuition fee from the foreign University.

International Network and Exposure: The connections they establish during semester exchange will create a global network of professionals, and potential collaborators, enhancing their professional network.

Academic benefits

Internship opportunities along with higher studies:

Higher studies may lead to wonderful future internship opportunities with the partner University for them.

Better opportunities for future jobs abroad: Students with a prior international exposure are preferred both at home country or abroad.

Personal Growth: They will develop a global mindset, be more adaptive to global challenges, improve self-confidence, and interpersonal skills.

Cultural Immersion: Living and studying in a foreign country will allow them to embrace new customs, traditions, and language.

TESTIMONIES

FAQs

- **Is English Proficiency test required?**

Generally English proficiency test is not required for semester abroad but some countries and universities make it mandatory.

The score required is 6.5 bands not less than 6 in each module in IELTS.

- **Are there any charges involved in the semester abroad?**

The student has to pay for the visa application charges, travel expenses, the living expenses while studying at overseas host university and the nominal expenses (if any) as suggested by the overseas host university.

- **Can I apply for education Loan?**

The student is not eligible for an education loan because this is a short study abroad program. The education loan is applicable for full time study at the educational institute.

- **What kind of VISA would I get?**

The nomenclature of the type of visa of each country is different. A student generally gets a short-term visa not more than 6 months. The applicant can apply for visa once he/she receives the Letter of Acceptance (LoA) and has all the necessary documents in place as required by the visa issuing authority of the country you are applying to.
